## Our Holiday Survival Guide

From the Perfect Present to Beating the Blues

For Your Best of Friends

### La Dolce Diva, \$5 to \$26

Whisk your best friend off to Italy with La Dolce Diva. Scents are inspired by the gardens and the sweet treats of Italy. Our favorite is Strawberry Di Chocolata! The Marietta-based company features a variety of products including body lotions, foaming body washes, natural bath salts, lip balms and aromatic soy candles.
